This is Donald Trump. Color him orange. Really, really orange. You will need lots of orange because this story is all about Donald.

Let's start from the beginning. Donald was born rich: private-school-and-limousines rich.¹ Borrow-\$14-million-from-your-father-to-get-started-in-life rich.² Donald is so rich that he was able to lose \$916 million in 1995³ and he still has enough leftover to own a private jet! This makes him a winner.

We told you Donald Trump is rich, right? Well Donald Trump wants you to know that however rich you think he is, he is even richer than that. He is so rich he lives in a tower. In fact, he owns the tower. It has many, many floors and is called Trump Tower (humble brag). Donald is the best and the richest so he lives at the top of the tower. The inside of his three-story penthouse is gold – well, gold-colored... he doesn't have quite enough money for his tower to be made of solid gold but he would like you to think he does.

These are Donald's wives – Ivana, Marla, and Melania. Donald has had three wives. They were all models or actresses when Donald met them. Donald likes models. He likes models so much that every chance he gets he trades in his wife for a younger model. That is a joke that you might not get but Donald gets it. Maybe color Donald's wives with airbrush markers. That would make sense.

Melania is Donald's current "partner for life," but Donald has a reputation to uphold – as a world-class ladies' man. Who really knows what the future could bring? Let's just go ahead and contemplate Donald's next wife. Draw what you think Donald's next wife will look like in the empty box (don't forget to give her a fun name like "Miss Teen USA"!).

Donald has 5 children. Donald Jr. and Eric are Donald's adult sons. For sport they hunt endangered animals in Africa.⁴ Look, that's Donald Jr. with a severed elephant tail and that's Eric holding up a freshly slaughtered leopard! Donald is proud of his sons but if you are disgusted it is ok to color them with a cowardly yellow.

In the center is Donald's favorite child, Ivanka. Donald and Ivanka have a "special" relationship. In 2006, Donald told ABC's *The View*, "if Ivanka weren't my daughter, perhaps, I would be dating her."⁵ Ivanka has been working with Donald in the family business. We aren't saying she has daddy issues, but she is a shark just like daddy. Color Ivanka gold for she truly is the Golden Child.

Donald's youngest children are Tiffany and Barron. They are young. Unlike their siblings, they don't have a public history of unsavory behavior. Yet. They probably should be left alone so maybe color them like normal people. Well, normal rich people.

Now that you've colored Donald's "colorful" family it's time to take a closer look at Donald – a man who has done it all.

Donald has sold steaks.⁶ Donald has opened a university. Donald has closed a university.^{7,8} Donald has built luxury golf courses.⁹ Donald has stiffed general contractors and service providers.¹⁰ Donald has sued people and been sued by people.¹¹ Donald has owned the Miss Universe pageant.¹² Donald attacked, punched, and shaved Vince McMahon at Wrestlemania 23!¹³ Donald is living the American Dream! Well, his version of the American Dream.

Donald's life could hardly get any better. Or could it? It totally could. In 2004, Donald got his very own tv show! With cameras and everything. Donald's tv show was no ordinary tv show. It was a REALITY tv show and that's the best kind. Donald's show was called The Apprentice. Donald got famous for sitting in a board room and saying, "You're Fired!"¹⁴ It's a catchy line. Maybe try yelling it out at your place of work and see how things go for you. Just kidding, don't do that. This catch phrase is really only for Donald.

YOU'RE
FINISHED!

Being on tv pleased Donald very much. All that attention! And Donald is quite the entertainer. Donald says all sorts of entertaining things. Like in 2011, when Donald said this about President Barack Obama: “I’m starting to think that he was not born here.”¹⁵ That’s pretty funny, isn’t it? Donald got lots of attention spreading Birther conspiracies. Gossip, gossip, gossip. Oh Donald, you should totally get into politics. You are so good at it.

Donald must have read our minds because he *did* get into politics. Of course, we were just joking when we suggested it. But Donald didn’t get the joke. Instead he announced he would be running for president... of the United States. Donald didn’t have many supporters at this time. In fact, the day Donald announced his candidacy there was an ad offering movie extras \$50 to help fill the room.¹⁶ They held up signs and applauded the idea of Donald Trump as president of the United States. On that day a ~~fraud~~ star was born!

* Candidacy announcement transcript can be seen at: https://www.washingtonpost.com/news/post-politics/wp/2015/06/16/full-text-donald-trump-announces-a-presidential-bid/?utm_term=.b08acb0d03f5

But they all said, a lot of the pundits on television, "Well, Donald will never run, and one of the main reasons is he's private and he's probably not as successful as everybody thinks." So I said to myself, you know, nobody's ever going to know unless I run, because I'm really proud of my success. I really am.*

Make
America
Great
Again!

The White House,
right? Oh... I see
what you're saying...

So when he drains
the swamp, where is
he going to live?
